I. Bond Overview

On March 2, 2004, the voters of the San Bernardino City Unified School District approved Measure T by a yes vote of 61.4%. Measure T provides for capital facilities bonds in the amount of \$140,000,000.00. The bond language requires the establishment of a Citizens' Oversight Committee (COC).

Measure T Bond projects include: building new neighborhood elementary, middle, and high schools and facilities; repairs, upgrades, expansions and modernizations of existing schools and facilities; and paying off existing capital facility lease obligations to reduce costs and save money. Bond funds will be used in conjunction with available State bond funding to maximize the number of projects that can be accomplished. Projects are prioritized as State and Bond funds become available. Measure T is planned to be sold in four series. The first series was sold in September 2004, and was used primarily to pay off Certificates of Participation used to construct school facilities projects. The second series was sold in May 2006 and the third series was sold in March 2007 to fund new campus, modernizations and Special Day Classroom additions.

II. Proposition 39 Requirements

Proposition 39 makes both constitutional and statutory changes to the current laws governing school facilities funding in California.

Proposition 39 requirements include the following restrictions:

- Property tax must be a maximum of \$60.00 per \$100,000 in assessed valuation
- A list of projects must be provided to the voters in the ballot measure
- A Citizens' Oversight Committee must be established and operational
- An annual report from the COC to the Board
- Annual financial audit
- Annual performance audit
- The membership of the COC must include at least five members of the following categories; parent; parent/member of PTA/PTO; business representative; member of a senior citizen organization; and member of a bona fide taxpayer organization
- A website of the COC must be maintained

III. Citizens' Oversight Committee

The San Bernardino City Unified School District Measure T-2004 Proposition 39 Bonds Citizens' Oversight Committee is legally charged under Education Code Sections 15278, 15280, 15282, and the California Constitution, Article 13A, Section 1, with direct taxpayer review of the Bond measure endorsed by the voters and with informing the public about the expenditures of the Bond proceeds to ensure that the spending decisions made by elected officials conform with that measure. The committee is not granted any powers to determine how bond proceeds are spent.

The Citizens' Oversight Committee is charged with the following purposes under Proposition 39:

1. To verify that projects funded with bond proceeds were permitted under the projects list submitted to voters (or available to voters if not reprinted in the Voter Handbook) at the time of election.
2. To review the annual financial audit and performance audit maintained under Proposition 39.
3. To review the annual list of deferred maintenance projects.
4. To conduct on-site inspections of projects to verify performance of contractors on an as needed basis.
5. To request that the District provide information on cost saving methods of design or construction that relate to any of the proposed projects.
6. To publicize the results of the findings of the Committee in order to inform the public of the status of the bonds and the proposed projects.
7. To evaluate the applicability of "reusable" designs for schools financed with Bond proceeds.

V. Summary of Bond Expenditures and Findings as Detailed in Audit Reports

2004 General Obligation Bond, Series A

On September 16, 2004, the San Bernardino City Unified School District issued the 2004 General Obligation Bonds, Series A, in the amount of \$44,999,497. The bonds will mature August 1, 2029, and yield interest rates of 2.0 to 5.0 percent. The bonds were issued to fund the construction, renovation, and repair of certain District facilities and the prepayment

2004 General Obligation Bonds, Series B

of the District's School Facility Bridge Funding Program. On May 3, 2006, the District issued \$67,999,967 of 2004 General Obligation Bonds, Series B. This was the second series of the authorized bonds to be issued under the measure as approved by voters. The bonds mature on August 1, 2030, with interest yields of 4.5 to 5.0 percent. Proceeds from the sale of the bonds are used to finance the construction, renovation and repair of certain school facilities.

2004 General Obligation Bonds, Series C

On March 1, 2007, the District issued \$9,997,217 of 2004 General Obligation Bonds as Series C. This was the third series of the authorized bonds to be issued under the measure as approved by voters. The bonds mature on August 1, 2031, with interest yields of 3.4 to 4.7 percent. Proceeds from the sale of the bonds are used to finance the construction, renovation and repair of school facilities.

2006-2007 Audit Reports

In accordance with Proposition 39, a performance audit and financial audit was performed by the independent auditor firm of Vicenti, Lloyd and Stutzman. The performance audit confirmed that the San Bernardino City Unified School District has properly accounted for the expenditures of the funds held in the Bond Building Fund and that such expenditures were made on authorized bond projects. Further it was noted that the funds held in the Bond Building Fund and expended by the district were not expended for salaries of school administrators or other operating expenditures. The financial audit confirmed that the financial statements for fiscal year ending June 30, 2007, present fairly in all material respects, the financial position and results of operations for the San Bernardino City Unified School District as of June 30, 2007, in conformity with accounting principles generally accepted in the United States of America.

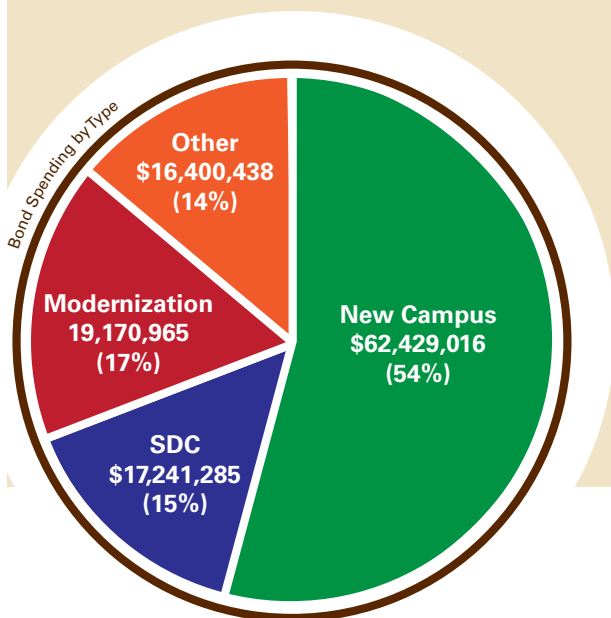

The financial audit also identified a reportable condition where audit adjustments were necessary on year end accruals. Specifically, these adjustments were required for retention withholds on companies that do not have a separate bank account to hold retentions in escrow. The District has a number of contracts for which it with-holds payments (retention) until satisfactory completion of the work. Some of these with-holds are held by the District, through the County and should be reflected as an expenditure, although it has not been released to the company. These with-holds will now be reflected as expenditures by Accounts Payable through periodic reviews to ensure that expenditures are posted properly. Two additional journal entries require adjustments, one for a duplicate entry and the other to post 4th quarter interest to the proper fiscal year. The District has made the necessary adjustments.

Bond Spending by Project and Issue

The table to the right indicates a breakdown of \$115.2 million in bond expenditures for each project. The projects are organized by type (New Campuses, Special Day Classroom Additions, Modernizations and Other) and are listed alphabetically by school name. Bond funds were used for expenditures against 101 projects. In many cases, these bond expenditures have been leveraged against matching funds from the State and local Developer Fees.

VI. California Constitution Statutory Requirements

On May 4, 2004, (Item 10.42) the Board of Education approved “Resolution of the Board of Education of the San Bernardino City Unified School District Establishing a Citizens’ Bond Oversight Committee and Approving Form of Bylaws Thereof.”

Section 3, Item 3.3 of the Citizens’ Oversight Committee Bylaws:

“3.3 Annual Report. The Committee shall present to the Board, in public session, an annual written report which shall include the following:

- (a) A statement indicating whether the District is in compliance with the requirements of Article XXIIA, Section 1(b)(3) of the California Constitution; and
- (b) A summary of the Committee’s proceedings and activities for the preceding year.”

The text in the Article XIIIIA of the California Constitution states:

- “(A) A requirement that the proceeds from the sale of the bonds be used only for the purposes specified in Article XIIIIA, Section 1 (b)(3), and not for any other purpose, including teacher and administrator salaries and other school operating expenses.
- (B) A list of the specific school facilities projects to be funded and certification that the school district board, community college board, or county office of education has evaluated safety, class size reduction, and information technology needs in developing that list.
- (C) A requirement that the school district board, community college board, or county office of education conduct an annual, independent performance audit to ensure that the funds been expended only on the specific projects listed.”

IV. COC Statement of District Compliance

The Citizens' Oversight Committee, based on the review of the annual financial and performance audit report and information received at the COC meetings, finds:

- The San Bernardino City Unified School District is in compliance with the requirements of Article XIII A, Section 1(b) (3) of the California Constitution

The Citizens' Oversight Committee members and officers wish to thank the San Bernardino City Unified School District Board, Superintendent and staff for their support and appreciate the opportunity to serve the taxpayers of the District and inform the public concerning the San Bernardino City Unified School District Measure T Bond.
