BID# F11-02B

A prime contractor violating any of the provisions of Public Contract Code Section 4100 et seq. shall be deemed to be in violation of this contract and the DISTRICT may exercise the option, at its own discretion, of (1) canceling the contract or (2) assessing the prime contractor a penalty in an amount of not more than ten percent (10%) of the amount of the subcontract involved.

Prime Contractors bidding this work shall require, pursuant to Public Contract code article 4108, all subcontractors providing labor and materials in excess of \$100,000.00 to supply an original signature and fully executed 100% Faithful Performance and 100% Payment Bond. All prime contractors bidding on this work must specify this requirement for subcontractor bonds in their written or published request for subcontractor bids. Failure to comply with this requirement shall not preclude contractor from complying with the subcontractor bonding requirements.

Bonds are required for each specification section or combination of sections which exceed(s) the limit listed above.

The practice of issuing separate purchase orders and/or subcontracts for the purpose of circumventing the subcontractor bonding requirement shall not serve to exempt the Contractor from these requirements.

No payments, except for a reimbursement payment to the Prime Contractor for the cost of the Prime Contractor's own Faithful Performance and Payment Bonds, shall be made to the Prime Contractor until the Prime Contractor provides the aforementioned subcontractor bonds to the DISTRICT..

Attachment No. 4 to Bid Form

A prime contractor violating any of the provisions of Public Contract Code Section 4100 et seq. shall be deemed to be in violation of this contract and the DISTRICT may exercise the option, at its own discretion, of (1) canceling the contract or (2) assessing the prime contractor a penalty in an amount of not more than ten percent (10%) of the amount of the subcontract involved.
