- (a) The name and the location of the place of business of each Subcontractor who will perform work or labor or render service to a prime contractor in or about the construction of the work or improvement, or a Subcontractor licensed by the State of California, who, under subcontract to a prime Contractor, specially fabricates and installs a portion of the work or improvement according to the Contract Documents in an amount in excess of one-half of 1% of the prime Contractor's total bid.

Any information requested by the officer, department, board or commission concerning any Subcontractor who the prime contractor is required to list under this subdivision, other than the Subcontractor's name, description of work, and location of business, may be submitted by the prime Contractor up to 24 hours after the deadline established by the officer, department, board or commission for receipt of bids by prime Contractors.

A prime Contractor violating any of the provisions of Public Contract Code Section 4100 et seq. shall be deemed to be in violation of this contract and the DISTRICT may exercise the option, at its own discretion, of one (1) canceling the contract or two (2) assessing the prime Contractor a penalty in an amount of not more than 10% of the amount of the subcontract involved.

The practice of issuing separate purchase orders and/or subcontracts for the purpose of circumventing the Subcontractor bonding requirement shall not serve to exempt the Contractor from these requirements.
