Subject: Pre-Qualification Application for Construction Contractors

Dear Mr. Nehoray,

Thank you for submitting a Pre-qualification Application for Construction Contractors, which was received on November 25, 2014. On February 4, 2014, the San Bernardino City Unified School District determined that all bidders, on certain public projects to be undertaken by the San Bernardino City Unified School District (SBCUSD), must be pre-qualified prior to submitting bids for such public projects. Your application was scored based on the published uniform system of rating bidders on the basis of the completed pre-qualification questionnaires and financial statements.

It is my pleasure to inform you that Woodcliff Corporation has been approved as a pre-qualified construction contractor for SBCUSD projects. Pre-qualification approval will remain valid for one (1) calendar year from the date of this notice.

A copy of this letter shall be required as an attachment to the Bid Form for all projects over \$1 million. Please note that this notice does not supersede other requirements specified in the bid documents for any specific project.

Once again, congratulations for the approval of pre-qualification for SBCUSD public projects.

Sincerely,

A handwritten signature in black ink, appearing to read "Samer Alzubaidi".
