b. Bond Election – John Peukert

Mr. Peukert informed the committee of the results of the Bond Questionnaire. There are three levels of bond there were researched, 250 million, 190 million and 148 million. The research shows that the community is in support of the Bond. Mr. Peukert express that he felt 250 million was too much and that 148 million was not enough and his suggestion would be to pursue the 190 million in Bond Funds. Some of the uses for the bond funds would be to upgrade the alarm systems of all the schools, police cars, performing arts build at Indian Springs HS, as well as many other projects. Ms. Patterson voiced her concerns in regards to the Bond funds and the interest rates being so different 2007 Bond has an interest rate somewhere between 3.4 and 4.7 where the 2011 Bond has an interest rate of 7.1. Laura explained that the interest rate is reflective of the economic market.
