Bids delivered in an outer envelope of a courier/delivery service or other envelope without a completed bid cover sheet affixed to the outside must have, within the outer envelope, a second sealed envelope containing the bid with the completed bid cover sheet affixed. DISTRICT will not be responsible for the timely identification or receipt of bids not delivered in a sealed envelope with a clearly visible and completed bid cover sheet affixed to it.

Each bid shall be accompanied by a cashier’s check made payable to the DISTRICT, or a satisfactory bid bond in favor of the DISTRICT, executed by the BIDDER as principal and a California admitted surety company as Surety, in an amount not less than ten percent (10%) of the Base Bid in the proposal.

The check or bid bond shall be given as a guarantee that the BIDDER will execute the contract

if it is awarded to it, in conformity with the Contract Documents, and will provide the surety bonds as specified in the General Conditions, within ten (10) calendar days after notification of the DISTRICT'S award of the contract to the BIDDER. In case of BIDDER'S refusal or failure to execute the Agreement and provide the bonds and other documents within ten (10) calendar days of the award, the cashier's check, or bid bond, as the case may be, shall be forfeited to the DISTRICT, as liquidated damages.

Each BIDDER shall guarantee his bid for a period of one hundred and twenty (120) days after the date set for the opening of bids, and agree not to withdraw his bid prior to that time.

PERFORMANCE AND PAYMENT BOND

Payment Bond and Performance Bond will be required prior to the execution of the contract, in the form and amount set forth in the Contract Documents. Said bonds shall be on a form acceptable to the DISTRICT from an admitted California Surety satisfactory to the DISTRICT and listed in the Federal Register, issued by the Department of Treasury and licensed in California. Said bonds shall remain in full force and effect through the guarantee period. Facsimile of each required bond form is appended to the Bidding Documents.

Prime CONTRACTORS bidding this work shall require, pursuant to Public Contract Code Article 4108, all subcontractors providing labor and materials in excess of \$100,000.00 to supply an original signature and fully executed 100% Faithful Performance and 100% Payment Bond.

All Prime CONTRACTORS bidding on this work must specify this requirement for subcontractor bonds in their written or published requests for subcontractor bids. Failure to comply with this requirement shall not excuse the Prime CONTRACTOR from complying with the subcontractor bonding requirements.

The practice of issuing separate purchase orders and/or subcontracts for the purpose of circumventing the subcontractor bonding requirement shall not serve to exempt the CONTRACTOR from these requirements.

No payments will be made to the Prime CONTRACTOR until the Prime CONTRACTOR provides the aforementioned subcontractor bonds to the DISTRICT. However, even after the contract is signed by both the District and the Prime Contractor and before the Notice to Proceed is issued, should the work under contract not proceed due to lack of availability of funds, the contractors must attempt to get back from the surety company the funds paid for the performance and payment bonds.

Each BIDDER agrees that if its bid is accepted by the DISTRICT, as the awarded CONTRACTOR, it will comply with the provisions of the DISTRICT’S LCP. The CONTRACTOR and all subcontractors utilized by the successful BIDDER on the project shall maintain and furnish to the DISTRICT, or its designated representative, on a periodic basis as directed by the DISTRICT, but in no event less frequent than once each month, certified copies of weekly payroll reports signed under penalty of perjury. The DISTRICT, or its designated representative, will review the payroll reports to verify compliance with the prevailing wage and other requirements of the LCP and will conduct audits as it deems necessary.

The prevailing rate of per diem wages and a description of employer payments are on file at the DISTRICT Office and are available to any interested party upon request. If the CONTRACTOR’S payroll records or reports are delinquent or inadequate, the DISTRICT will withhold contract payments until the delinquency or inadequacy is corrected. Additionally, if after an investigation it is established that an underpayment occurred, the DISTRICT will withhold contract payments equal to the amount of underpayment and applicable penalties. The DISTRICT thereafter will follow the requirements regarding notice to the CONTRACTOR or its subcontractor as provided in Labor Code Section 1771.6. Copy of the Labor Compliance Program is on file at DISTRICT Office for BIDDER review.

The DISTRICT has obtained from the Director of the Department of Industrial Relations the general prevailing rate of per diem wages and the general prevailing rate for holiday and

overtime work in the locality in which the work is to be performed for each craft, classification or type of work needed for the work of the contract. Straight-time hourly rates and overtime hourly rates (daily, Saturday, Sunday and holiday) shall be paid, at a minimum, in accordance with the general prevailing wage determination issued by the Director of the Department of Industrial Relations.

Copies of schedules of rates so determined are on file at the DISTRICT'S Office: San Bernardino City Unified School District, 777 North "F" Street, San Bernardino, CA 92410, and are available to any interested party upon request.

In accordance with Sections 1773 and 1773.2 of the California Labor Code, the CONTRACTOR shall post a copy of the determination of prevailing rate of wages in a prominent location at each jobsite.

The schedule of per diem wages is based upon a working day of eight (8) hours.

The CONTRACTOR and any subcontractor(s) shall pay not less than the specified prevailing rates of wages to all workers employed by them in the execution of the contract.

The DISTRICT, however, reserves the right to reject any or all Bids in their entirety, or portions thereof, as deemed necessary by the DISTRICT and subject to availability of construction funds. DISTRICT reserves its rights to waive any irregularities and informalities in any Bid or in the Bidding for any reason.

For example, if funds are available, the District may exercise Alternates 1 and 2. The apparent low bidder would then be the lowest total of the base bid, Alternate 1 and Alternate 2. This apparent low bidder may, or may not, be the one who had the lowest base bid among the bidders.

EXAMINATION OF RECORDS: Government Code Section 10532 requires that the records of both the School District and the Contractor shall be subject to the examination and audit of the Auditor General for a period of three (3) years after final payment of the contract.
