

ADDENDUM NO. 1

November 12, 2008

SBCUSD FACILITIES BID #F08-19 WEED ABATEMENT SERVICES

This Addendum No. 1 forms a part of the bid documents and modifies the original Request for Bids No. F08-19 advertised on October 30 and November 4, 2008 with sealed bids due no later than 2:00 pm November 17, 2008. Please read the entire document and acknowledge receipt of Addendum No. 1 by signing and printing your name in the space provided below and include the assigned addendum with the other bid documents. Failure to do so may subject the bidder to disqualification.

GENERAL CLARIFICATION Several items or information in the bid package have been added, deleted or modified. They are as follows:

1. Item 33 SPECIFICATIONS: exclude graffiti removal from the work scope
2. Bid Form: tables 1 and 2 revised to break out tractor work into discing and cutting (mowing) line items
3. Bid Form, Table 1: use line Items F and G Other for listing additional work, services, quantities and unit prices needed to perform weed abate and clean-up scope of work not identified in items A-E for said properties. Bidders may add as many "other" lines as needed.
4. Bid Form, Table 2 – Weed Abatement Basis of Award: only those items 1-5 identified in this table will be used to calculate the total bid for basis of award
5. Start times at sites are per San Bernardino City Ordinance
6. All sites are within San Bernardino Municipal Water District and contractor is responsible for its own water
7. Contractor will be required to comply with all requirements of the city of San Bernardino for the scope of work required
8. Site cleanup, debris removal is included in this bid
9. No herbicides, nor other potentially toxic weed abating chemical controls will be used
10. No long term storage is available; however, equipment may be kept on site during the course of the job at the contractor's own risk
11. Potentially hazardous and toxic materials and containers, if found, are not to be disturbed for future removal by the District
12. Asphalt and concrete are to remain on site, for future removal by the District
13. Mature trees are to remain on site, for future removal by the District
