Addendum No. 1

F17-08: Fencing at Arroyo Valley and Indian Springs HS

Notice to Bidders:

The following changes, additions, or clarifications have been made to the original approved project Documents and shall be incorporated in the Bidders bid amount. The Bidder shall acknowledge receipt of the Addendum in the Bid Form. All other aspects of the work from the original Documents shall remain unchanged. In case of conflict between the Specifications and this Addendum, this Addendum shall govern. The Bidders shall be responsible for transmitting this information to all affected subcontractors and suppliers prior to the closing of bids.

Clarification 1: All fencing on this project is standard galvanized metal fencing. There is no vinyl coated fencing required.

Clarification 2: At the Arroyo Valley site there is a pile of dirt that is within a section of the new 8' fence. These spoils are to be moved to another area of the pile as needed so the fence can be installed at level grade.
