

RESPONSES AND CLARIFICATIONS TO
RFP NO. 118 FOR CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)
COMPLIANCE SERVICES
MAY 3, 2012

Q1. Is SBCUSD accepting proposals for each specialized service listed in the RFP or are they looking for a team of consultants that can provide all services needed?

A1. The District is looking for one team that can provide all services needed.

Q2. The scope of this CEQA RFP states that the CEQA consultant will need to include a Geology & Soils Investigation Report in their EIR. They will also need to supply a report summary. Will the CEQA consultant need to hire the Geotechnical to produce these reports, or will they be supplied by SBCUSD hired firms?

A2. The reports in question will be provided by the District for reference only.

Q3. Is there a page limit?

A3. No, there is no page limit.

Q4. What is the number of references required/expected?

A4. References for previous work experiences should be provided alongside the listed work experiences in the RFP. It is dependent on the number of previous work experiences provided by the respondent and there is no stated limit.

Q5. With regard to Attachment 2 Respondent Questionnaire:

- a. Question 5- Please list any applicable certifications and licenses and their associated numbers. Does this refer to our Project Team or our Principals/Officers of company?
- b. Question 6 – Have you or any of your principals ever conducted similar services under a different name or certification or difference license number? Does this refer to our Project Team or our Principals/Officers of the company?

A5a. The certifications and licenses are usually applicable to the respondent's firm and are given by governmental or jurisdictional agencies. Individual certifications and licenses for the Officers/Principals/Project Team may be provided within the resume section of the RFP.

A5b. A5a (above) is applicable to both the Project Team and the Principals/Officers of the firm.
